

# POKÉMON PAPER ART STAINED GLASS INSTRUCTIONS

## MATERIALS

- Black construction paper
- Clear contact paper
- Colored tissue paper
- Scissors
- Tape

## INSTRUCTIONS

1. Take a piece of contact paper and tape it to the table with the sticky side up.
2. Peel off the backing to reveal the sticky side.
3. Print out a copy of the Pokémon silhouette.
4. Cut out the Pokémon shape and put it black side down in the center of the sticky paper.
5. Using the black construction paper, cut out a frame. Place the frame around the Pokémon on the sticky paper.
6. Cut the leftover black construction paper into thin strips. Lay these in various directions on the sticky paper, making sure that one end of each strip is touching either the frame or the Pokémon.
7. Tear the colored tissue paper into small pieces and press to the sticky paper. Fully cover the sticky paper in the frame.
8. Cut away the excess sticky paper.
9. Hang your artwork in a window to enjoy!
